

QUESTION

How long will the booth be taking pictures of our guests?

ANSWER

Our standard package starts at 3 hours worth of fun! We will set up and breakdown the booth out of the hire time, so you and your guests get 3 full hours to enjoy it!

QUESTION

What's The Quality Of Your Photographs & Prints?

ANSWER

The best around!

No seriously, our photo booth was designed and created by a professional photographer using the highest quality equipment. This means you can even blow up the pictures after your event and display them proudly in your home!

QUESTION

How Much Space Do We Need At Our Venue?

ANSWER

2.5m x 2.5m ground space and a ceiling height of 8ft. We also require a small table from the venue to be near us to pop some fun props on for you.

QUESTION

Will Someone Stay At Our Booking?

ANSWER

Certainly! You will have your very own dedicated professional photo booth attendant to look after you and your guests fro the duration of the hire.

So no need to worry!

QUESTION

How Long Does It Take To Set Up?

ANSWER

Our booth only takes between 45 minutes to an hour to be fully set up and around 30 to 45 minutes to pack away.

We will do this out side of your hire time too, so your picture taking is not disturbed!

QUESTION

Are You Insured?

ANSWER

Absolutely!

If your venue requires our insurance and PAT testing credentials we would be happy to provide them.

QUESTION

How Many Prints Are Included?

ANSWER

UNLIMITED!

That is right! Our printer will print non stop until your hire period ends. Each time the booth is used your guests will get a physical printed copy to take home. If you have our Ultimate Guest Book service too (which we highly recommend to get the full benefit of the booth) another copy will be printed and put straight into the guest book for you, so your guests can leave a loving message around it.

QUESTION

How Big Are The Prints

ANSWER

Our standard prints are 6 x 4 and include 3 pictures on them.

You will also get access to an online gallery where you can download and print any of the pictures after your special day.

The high quality of our equipment means that you can also blow up the images to a larger size without losing the quality.
